REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Angel Oak Elementary School is a Title 1 neighborhood school located on Johns Island. Through shared decision making, a positive climate and high expectations, the Angel Oak family made great strides during the 2011-2012 school year. Four hundred students in Child Development through Fifth Grade attended our 2011 Palmetto Silver Award School. At Angel Oak we use data to drive our instructional decisions. Our academic success is directly tied to our collaborative teacher teams, standards-driven curriculum, and the interventions we use to assist students toward reaching their maximum potential.

The 2011 PASS results revealed continued progress in areas tested and earned our school an "Average" report card Absolute Rating and an "Average" Growth Rating. Angel Oak was recognized by the Charleston County School District as an "Innovating School" for high ratings of our total school program. Our test scores and this honor indicate that we are successfully accomplishing our mission of "Achieving Academic Excellence in an Ever-Changing World". Our mission includes an "Educating the Whole Child" approach and addresses students who are Ready to learn, Respectful, Responsible and critical thinkers. Literacy is the central focus at Angel Oak Elementary School. Project Read, a research-based program that introduces students to various strategies to assist with the five big ideas of reading (phonemic awareness, phonics, vocabulary, fluency, and comprehension) is being implemented. Every classroom is equipped with a SMART Board, computers, document camera and students are engaged with technology daily with the implementation of the pilot 1:1 learning iPad initiative.

During the year our students, families and staff participated in a variety of academic, social and community activities. Staff development focused on research-based strategies for increasing student achievement through Exceeding Expectations: Implementing Brain Research In The Classroom and Classroom Instruction that Works. Staff members attended workshops, conferences, enrolled in courses and visited other classrooms to enhance instruction. Many students participated in our after-school enrichment programs. Our PTA and SIC sponsored events such as: Reading Carnival, Family Reading Night, Family Math and Science Night, Family Movie Night, and PBIS Celebrations. Our students were active in Project Based Learning, musical performances and competitions. Canned goods and "Angel Tree" contributions were collected during the holiday season for needy families. Students raised funds with the help of the Angel Oak Student Council for Muscular Dystrophy. Our students participated in math contests, spelling bees, essay contests, art contests, tennis and track competitions and the Lowcountry Science Fair.

As we strive to move more students into the "Exemplary" category on PASS, our staff will continue to develop and implement strategies to meet the needs of each learner. At Angel Oak Elementary, we believe all students can reach their APEX and we celebrate each student's diversity and success.
